SATURDAY, NOVEMBER 16 – ESKILSTUNA RACETRACK

5. FLY EQUOS JET

Paul Hagoort and Robin Bakker won the Breeders' Crown with Ester Degli Dei last year. Here they have a nice chance again.

6. LANDO MEARAS

11. CONRADS LEONARD

Has met tougher horses at the end and done well. Most recently, he made it to the final after a trip from behind the leader. From this position, however, he has to aim for smaller money.

Mother Oklahoma Ans earned just over a million Swedish crowns. Conrads Leonard is her sixth offspring and also the best so far.

12. FAHRENHEIT

Fought well in the semifinals, but here he meets too tough opponents. Earning some money would already be considered as a great success.

SATURDAY, NOVEMBER 16 – ESKILSTUNA RACETRACK

1. S.G.EMPRESS

Has been one of the best of her year throughout her career and showed good form in the semi-finals. From this lane, Örjan Kihlström makes an attempt to hold the lead and they will not be easy to beat then.

Gender: **Mare** Pedigree: **Readly Express – Riva del Sole**

She began her career with five straight wins from her debut, and she has proven to be one of the very best horses of her year. This year's big victory came in the short E3 at Gävle in August, and without a mistake she has only lost on one occasion. Mother Riva del Sole earned over SEK 3.7 million and has also given birth to another millionaire, S.G.Dracarys.

2. J.H.ELLEN

Surprised when she sprinted to victory in the semi-finals. That performance gave her a perfect draw in the final, and with a good trip she could be in the mix again.

Gender: **Mare** Pedigree: **Winter Harbor – Cindy Hall**
Trainer: **Björn Goop** Driver: **Björn Goop**
Owner: **Gnosjö Personaluthyrning AB**
Breeder: **Janika, Jaana & Johanna Häggman**

Career: **9 races (4-0-2)** Winning percentage: **44%**

Three starts ago she finished third in a heat to the Swedish Oaks and then she qualified for the Breeders' Crown and managed to win her semi-final. The sire Winter Harbor has only two Swedish-registered offsprings.

3. LA YUCA

Has earned most of her money in the last two starts and has shown great skills. This is Magnus A Djuse's choice in the race and from a good position she is an early bid for victory.

Gender: **Mare**
Pedigree: **Face Time Bourbon – Komigen Pippi**
Trainer: **Daniel Redén** Driver: **Magnus A Djuse**
Owner: **Eagles Rising AB, Bjärred** Breeder: **Eagles Rising AB, Bjärred**

First she won a Breeders' Course race for three-year-old mares before striking with a semi-final win in the Breeders' Crown. Dam Komigen Pippi earned just 50,000 Swedish crowns in nine starts and La Yuca is her third offspring.

4. VIVILLION

Won the Oaks second last but was beaten in the semifinals of the Breeders' Crown last time. However, the form should still be good and normally she will fight for victory.

Gender: **Mare** Pedigree: **Propulsion – Voxy**
Trainer: **Daniel Wäjersten** Driver: **Ulf Ohlsson**
Owner: **Ravitalli H Laakkonen oy & ML Stable Oy**
Breeder: **Ravitalli H Laakkonen oy & ML Stable Oy**

There, she has been very successful and the biggest results was the victory in the Swedish Oaks. In the Breeders' Crown semi-final she finished second behind La Yuca. The strain is entirely American and from the same mother comes Daniel Wäjersten's older star Mellby Jinx.

SATURDAY, NOVEMBER 16 – ESKILSTUNA RACETRACK

5. SCREEN TIME LIMIT

This is Daniel Wäjersten's choice in the race. She always puts in consistent and strong performances. The horse can do it tough and should definitely not be overlooked here.

Gender: **Mare** Pedigree: **Face Time Bourbon – Metior Easy**
Trainer: **Daniel Redén** Driver: **Daniel Redén**
Owner: **Ravitalli H Laakkonen Oy & ML Stable Oy**
Breeder: **Ravitalli H Laakkonen oy & ML Stable Oy**
Record time: **1.12,3am** Earnings: **SEK 2,641,000**
Career: **12 races (5-4-0)** Winning percentage: **42%**
Greatest result: **1st in long E3, 2nd in Breeders' Crown semi-final**

Started her career for Reijo Liljendahl and at the end of June the biggest victory so far came when she won the long E3. When the trainer moved across the Atlantic, Screen The Limit joined the Daniel Wäjersten stable. There she has continued to deliver and in the semifinals of the Breeders' Crown she came in second. Mother Metior Easy finished second in the Breeders' Crown as a three-year-old.

6. ELEGANCE SILVIO

Always earns money and puts in solid efforts. Now, however, she faces too tough opponents and earning money will be considered as a success.

Gender: **Mare**
Pedigree: **Maharajah – Vestal Virgin**
Trainer: **Johan Untersteiner** Driver: **Johan Untersteiner**
Owner: **Stall Silvio AB, Åstorp** Breeder: **Stall Silvio AB, Åstorp**

Career: **12 races (2-1-4)** Winning percentage: **17%**
Greatest result: **3rd in Breeders' Crown semi-final**

The second one came in a heat to the Breeders' Crown in October which was followed by a third place in the semifinals. Johan Untersteiner won the Breeders' Crown last year together with Stens Rubin and has a new opportunity here. Mother Vestal Virgin has left six offspring, two of whom are millionaires.

7. LILIUM SISU

Has made a big impression in Norway during the late summer and autumn. In the semi-final she followed the leader well from behind, but from track seven in the final it can be difficult to assert herself among the top three.

Gender: **Mare**
Pedigree: **Face Time Bourbon - Hey Gorgeous**
Trainer: **Petri Salmela** Driver: **Mika Forss**
Owner: **Lilum Oy, Finland** Breeder: **Sisyfos Breeders AB, Bromma**
Record time: **1.13,0am** Earnings: **SEK 1,472,592**
Career: **17 races (6-4-2)** Winning percentage: **35%**
Greatest result: **1st in Norwegian Oaks, 3rd in Breeders' Crown semi**

Petri Salmela has had high expectations for Lilium Sisu from the start and during the summer and autumn she has really shown what she is up to. As she is Norwegian-born, her sights were set on the big races in her home country, and she managed to win both the Stokriteriet and the Oaks. Most recently, she finished third at Solvalla and she is one of twelve who settle for victory in this Breeders' Crown.

8. LOVELY RITA

Has put in fine performances at the end and comes to the final in good shape. From this lane, however, she has to focus primarily on earning some money.

Gender: **Mare**
Pedigree: **Greenshoe – Ask For You**
Trainer: **Markus B Svedberg** Driver: **Erik Adielsson**
Owner: **Stall Courant AB, Heby** Breeder: **Am Bloodstock AB, Bromma**

Greatest result: **4th in Breeders' Crown semi-final**

Lovely Rita promised a lot already in the qualifying race in April when she showed 1.16.4 all the way. During the season, she has put in solid efforts without really being able to match the very best. At the very end, however, she is ready for her first major final. Lovely Rita is from Greenshoe's first litter and the American stallion's third most successful horse on Swedish soil.

SATURDAY, NOVEMBER 16 – ESKILSTUNA RACETRACK

9. ORIANA BOKO

Give up at the end in the semi-finals and hasn't shown the same form as during the summer. Has a good number for a defensive trip and with the right trip she can earn good money.

Gender: **Mare** Pedigree: **Father Patrick – Ever Seen Boko**
Trainer: **Danny Brouwer** Driver: **Micha Brouwer**
Owner: **Gerritsrecyclinggroup BV, Netherlands**
Breeder: **Boko Stables Holland BV, Netherlands**
Record time: **1.12,1am** Earnings: **SEK 2,617,605**
Career: **13 races (3-5-4)** Winning percentage: **23%**
Greatest result: **1st in Treåringseliten, 2nd in Breeders' Crown semi**

Oriana Boko started early as a two-year-old and finished third in the Swedish Breeding Run. This year, the mare has continued to deliver and during the Elitloppet weekend she scored a great victory in the Three-year-old elite for mares. A start gallop in Swedish Oaks was followed by a third place in the Breeders' Crown semifinal and on Saturday she will fight for 1.6 million SEK at Eskilstuna.

10. GREAT PRIDE

Has impressed a lot at the end and sprinted very strongly twice in a row. From here, she probably needs overpace to be in the mix. Possible with the right journey.

Gender: **Mare** Pedigree: **Maharajah – Dea Pride**
Trainer: **Roger Walmann** Driver: **Claes Sjöström**
Owner: **Marylebone AB, Upplands Väsby**
Breeder: **Menhammar Stuteri AB & Y. Garandeanu**
Record time: **1.11,8am** Earnings: **SEK 1,174,000**
Career: **13 races (1-3-4)** Winning percentage: **8%**
Greatest result: **3rd in Oaks, 3rd in Breeders' Crown semi-final**

Great Pride's development in the second half of the season has been strong, and that's when she made most of her money. She put in a very brave effort as third in the Swedish Oaks, and most recently she was just as good in the semifinals of the Breeders' Crown. Can she put the finishing touches on Saturday? The tribe is all French with Ready Cash as father and Love You as grandfather.

11. BEEDRILL

Had been poorly drawn lately and a third place in the semi-final means a tough draw again. She has good speed resources and with the right journey she passes many on the home track.

Gender: **Mare** Pedigree: **Muscle Hill - Beatgoeson Hanover**
Trainer: **Daniel Wåjersten** Driver: **Per Linderoth**
Owner: **Ravitalli H Laakkonen Oy & ML Stable Oy**
Breeder: **Ravitalli H Laakkonen Oy & ML Stable Oy**
Record time: **1.12,1am** Earnings: **SEK 1,002,000**
Career: **11 races (2-5-1)** Winning percentage: **18%**
Greatest result: **4th in Oaks, 4th in Breeders' Crown semi-final**

Beedrill arrived at Daniel Wåjersten when former trainer Reijo Liljendahl moved to the USA. Together with her new trainer, she has managed to win a heat to the Breeders' Crown and she finished fourth in the Swedish Oaks. If she can save the speed in Saturday's final, no one is safe. She is very well bred as mother Beatgoeson Hanover earned more than 8.8 million Swedish kronor.

12. KINKY RAIN

Finished fast in the semi-final which was the horse's debut for trainer Johan Untersteiner. Now she got a very poor number and she has to focus mainly on earning some money.

Gender: **Mare** Pedigree: **Muscle Hill – Alexia Ås**
Trainer: **Johan Untersteiner** Driver: **Peter Untersteiner**
Owner: **Thomas Lind-Holm, Denmark**
Breeder: **Thomas Lind-Holm, Denmark**
Record time: **1.13,1am** Earnings: **SEK 201,078**
Career: **12 races (2-2-1)** Winning percentage: **17%**
Greatest result: **4th in Breeders' Crown semi-final**

She began her career in Denmark before being moved to Mattias Djuse and further to Johan Untersteiner. She made her debut for Untersteiner in the last start and managed to qualify for the final of the Breeders' Crown via her fourth place. Here she is a big outsider and a victory would be a great shock. However, she is well bred as a full sister to the four-time millionaire Ganga Bae.

Record: **1.11,8am** Earnings: **SEK 1,102,500**
Career: **21 races (5-8-2)** Winning percentage: **24%**
Greatest result: **2nd in Norrlands Grand Prix, 2nd in BC semi-final**

He started his career for Reijo Liljendahl, where as a three-year-old he took three major victories at Axevalla, Romme and Solvalla with 100,000 SEK in first prize. In his last start for Liljendahl this summer, the horse finished second behind Ete Jet in the Norrland Grand Prix for four-year-olds. Since then, the horse has been in Ville Karhulahti's training, where he won a major race at Örebro in September. He was second in his BC semi-final but is ideally drawn.

2. BICC'S TOBEE

Took the lead in his semifinal and despite high pace he could score a close win. Is very strong and seems in good shape. Is an early candidate for victory from this lane.

Gender: **Gelding** Pedigree: **Tobin Kronos – Bicc's Honeybee**
Trainer: **Maria Törnqvist** Driver: **Dwight Pieters**
Owner: **Höökboet KB, Långhem**
Breeder: **Carina Carlsson & Conny Olofsson**
Record time: **1.11,7am** Earnings: **SEK 1,159,000**
Career: **16 races (10-0-2)** Winning percentage: **63%**
Greatest result: **1st in class II final, 1st in Breeders' Crown semi**

Has been trained all along by Maria Törnqvist and mostly driven by her partner Dwight Pieters. The horse finished his three-year-old season with three straight victories in easier races. He has developed a lot as a four-year-old, starting with two V75 wins (one final) in March. Impressed hugely in September when he won from outside the leader in a 1.09 time in a V75 race at Färjestad. Won his semi-final from the lead and is probably aiming for that again here. Early bid.

3. NOT FOR SALE

One of three horses trained by Daniel Wäjersten. Was second to Epic Kronos in his heat and followed well. Got a good lane in this final but will probably still have a hard time. Mats E Djuse is the driver.

Gender: **Gelding** Pedigree: **Readly Express – Golden Gate Bridge**
Trainer: **Daniel Wäjersten** Driver: **Mats E Djuse**
Owner: **Bro Byggnads AB, Stockholm**
Breeder: **Prestera International AB, Limhamn**
Record time: **1.11,6am** Earnings: **SEK 733,600**
Career: **16 races (7-2-3)** Winning percentage: **44%**
Greatest result: **2nd in class I final, 2nd in Breeders' Crown semi**

Started his career for Timo Nurmos where he only ran one race as a three-year-old. Has since been in Daniel Wäjersten's training where he took seven victories in 15 starts this year. He won a V75 race (Class II) at Bolnäs in July and also a Class I race at Hagmyren in September. After that he was also second in a Class I final at Solvalla. Was runner-up behind pre-favorite Epic Kronos in the semi-final and should earn some nice money from this number.

4. KUIPER

Has always belonged to the very best and is constantly developing. The horse is very fast from the start but has also shown that he is good from behind. Early challenger to the favorite.

Gender: **Stallion** Pedigree: **Face Time Bourbon – Eddiction**
Trainer: **Daniel Wäjersten** Driver: **Daniel Wäjersten**
Owner: **Stall Courant AB, Heby**
Breeder: **Am Bloodstock AB, Stockholm**
Record time: **1.11,0am** Earnings: **SEK 2,233,000**
Career: **22 races (8-5-1)** Winning percentage: **36%**
Greatest result: **3rd in Sprintermästaren, 1st in BC semi-final**

Has been trained all along by Daniel Wäjersten and as a three-year-old he was second in an elimination heat to the Kriteriet. He has developed nicely this year and won a heat to the Sprintermästaren where he finished third in the final. Later he also won a Derby heat and was fifth in the final. Then also won a heat to the European Derby (beating Derby winner Fame and Glory) and is coming off another good effort. The trainer's choice out of three horses and they challenge the favorite.

5. EPIC KRONOS

Won very easily in his semi despite a not too easy journey. Has developed enormously at the end and has become the best horse of his year. The favorite in this final and hard to beat.

Gender: **Stallion** Pedigree: **Muscle Hill – Firefly**
Trainer: **Daniel Redén** Driver: **Örjan Kihlström**
Owner: **Stall Zet**
Breeder: **Winged Lion Breeding AB, Bjärred**
Record: **1.10,7am** Earnings: **SEK 5,443,500**
Career: **16 races (10-1-2)** Winning percentage: **63%**
Greatest result: **1st in European Derby, 1st in Breeders' Crown semi**

Has been trained all along by Daniel Redén and started his career with five wins in six starts. However, the real breakthrough has come this season as a four-year-old. In July he won a so-called Margaretha race at Solvalla and after that he won a Derby heat. In the final he got only defeated by Fame and Glory, but he has since impressed enormously and won both a heat and the final to the European Derby. Is the best horse here and will probably be hard to defeat.

6. HOLCOMBE ZET

One of three horses trained by Daniel Redén. Was brave in his heat and finished third behind Bicc's Tobee. Not among the favorites but can certainly make good money. Per Lennartsson is the driver.

Gender: **Stallion**
Pedigree: **Daley Lovin – Gospel**
Trainer: **Daniel Redén** Driver: **Per Lennartsson**
Owner: **Stall Zet** Breeder: **Brixton Medical AB**
Record time: **1.12,1am** Earnings: **SEK 1,657,500**
Career: **23 races (7-3-5)** Winning percentage: **30%**
Greatest result: **1st in Derby elimination heat, 3rd in BC semi-final**

Holcombe Zet has been trained by Daniel Redén all along and been consistent and good. Won a BC semi-final last year and finished sixth in the final. He then won in the E3 Revanschen at Eskilstuna. The main achievement this year is a victory in a Derby heat. He also finished sixth in the final. Holcombe Zet belongs to the better ones in his year, but will probably still find it difficult to fight for victory here. He is driven by Per Lennartsson again.

7. CHEROKEE FACE

One of three horses trained by Daniel Wäjersten. After an inside trip, he finished well as fourth in his semi-final. From this draw, he is primarily chasing good money. Per Linderoth is the driver.

Gender: **Gelding**
Pedigree: **Bold Eagle – Tzarina Face**
Trainer: **Daniel Wäjersten** Driver: **Per Linderoth**
Owner: **SRF Stable** Breeder: **Lutfi Kolgjini & Anna Svensson**
Record time: **1.12,1am** Earnings: **SEK 656,250**
Career: **18 races (5-5-2)** Winning percentage: **28%**
Greatest result: **1st in class II, 4th in Breeders' Crown semi-final**

Has been trained by Daniel Wäjersten all along. Started calmly as a three-year-old and has not been in the bigger races until now. This summer he competed in the V75 and in July he won a Class II race at Östersund, which is his biggest victory so far. After that he took two more second places in the V75. He finished fourth in his semi-final behind, among others, Bicc's Tobee and is now in his first bigger final. He is here to learn and will probably get a defensive trip.

8. BARON TILLY

Got a pretty tough journey in the semi-finals and got tired at the end. Is certainly improved by that race under his belt and belongs to the better horses here. Can't be completely dismissed despite this poor lane.

Gender: **Stallion**
Pedigree: **Ready Cash – Infra Tilly**
Trainer: **David Persson** Driver: **Carl Johan Jepson**
Owner: **Stall Tilly AB, Stocksund** Breeder: **Stall Tilly AB, Stocksund**
Record time: **1.11,8am** Earnings: **SEK 1,471,000**
Career: **18 races (7-1-1)** Winning percentage: **39%**
Greatest result: **1st in Kungapokalen, 4th in Breeders' Crown semi**

Has been trained all along by David Persson at Axevalla. The horse took three straight victories last winter and then won a Class II race at Örebro. In April he then won a heat to the Kungapokalen and a few weeks later he was the winner in the final after a very impressive performance. Unfortunately, the horse then got allergy problems and he missed most of this season. Has done three races after the break but not quite lived up to his level. The form is a bit hard to predict.

9. GATES HANOVER

One of three horses trained by Daniel Redén. Got a nice trip from behind the leader in the semi-final and was only closely beaten in the end by Bicc's Tobee. Aiming for a similar run here.

Gender: **Stallion**
Pedigree: **Walner – Good Common Cents**
Trainer: **Daniel Redén** Driver: **Erik Adielsson**
Owner: **SRF Stable** Breeder: **Hanover Shoe Farms Inc, USA**
Record: **1.11,7am** Earnings: **SEK 1,455,284**
Career: **13 races (2-4-1)** Winning percentage: **15%**
Greatest result: **1st in Bluegrass Stakes 2022, 2nd in BC semi-final**

Began his career in the USA for Åke Svanstedt, where he won two races as a two-year-old, one of which earned almost half a million Swedish kronor in first prize. Now trained by Daniel Redén at Solvalla where Gates Hanover has made four starts without winning. Was second in his semi-final, only closely beaten by Bicc's Tobee and the horse looks to be strongly on the way up. Could get a good inside trip here, just like last time. Driven by Erik Adielsson this time.

10. ANTOGNONI

Has perhaps not quite lived up to the high expectations so far. Was poorly drawn in the semi-finals, but after a good finish he was still able to make it to this final.

Gender: **Gelding** Pedigree: **Father Patrick – Bouncing Bax**
Trainer: **Timo Nurmos** Driver: **Jorma Kontio**
Owner: **Hs Trav AB & Boko Stables Holland BV**
Breeder: **Pellpac AB, Torekov**
Record time: **1.11,2am** Earnings: **SEK 625,500**
Career: **19 races (6-2-3)** Winning percentage: **32%**
Greatest result: **1st in class II, 3rd in Breeders' Crown semi-final**

Has been trained by Timo Nurmos all along. Took three wins in eight starts last year but did not meet the best of his year. This season the horse won a Class II race at Romme in March. Was fourth in a Derby heat in August but won an apprentice race at Solvalla in September and then ran a 1.10 time. The horse had a poor number in the semi-finals but came in third after a good finish. Should find it hard to win from here but hopes for quick pace and can then make good money.

11. FLOTILLA

Finished well in his semi-final and finished third behind, among others, Kuiper. Will find it difficult to be in the battle for victory from here, but if the pace is high, he can make good money.

Gender: **Gelding**
Pedigree: **Readly Express – Rock The Boat**
Trainer: **Roger Walmann** Driver: **Claes Sjöström**
Owner: **SRF Stable** Breeder: **Menhammar Stuteri AB, Ekerö**
Record time: **1.11,9am** Earnings: **SEK 930,000**
Career: **24 races (3-6-3)** Winning percentage: **13%**
Greatest result: **1st in E3 Chansen 2023, 3rd in Breeders' Crown semi**

Has been trained by Roger Walmann all along and took his first win last year in his eighth start. Started a little slowly last spring but has developed nicely since this summer. Won a major race at Eskilstuna in July and finished third in a Derby heat in August. Comes from a third place in the semi-finals and is probably mostly here to learn. Will probably get a defensive trip from here. Claes Sjöström is the driver this time.

12. EXPRESS CASH

Sprinted well over the home stretch in his semi-final and was fourth behind, among others, Kuiper. Got a difficult lane in this final and earning some money would already be a success for trainer Andreas Lövdal.

Gender: **Gelding** Pedigree: **Readly Express – Order By Cash**
Trainer: **Andreas Lövdal** Driver: **Andreas Lövdal**
Owner: **Stall Express Cash - Asap**
Breeder: **Order By Stable AB, Borås**
Record time: **1.11,9am** Earnings: **SEK 638,313**
Career: **21 races (5-5-2)** Winning percentage: **24%**
Greatest result: **1st in Breeders' Crown heat, 4th in BC semi-final**

Started his career for Per Nordström at Jägersro where the horse scored one win in five starts last year. Was then moved to new professional trainer Andreas Lövdal where he immediately won two races in a row in November. Did not convince last summer but seems to be back in good form now. Finished fourth in his semi-final and thus qualified for this final, which can be considered as a success already. Both horse and driver/trainer are here to learn.

BREEDERS' CROWN 4 YRS OLD – MARES

SATURDAY, NOVEMBER 16 – ESKILSTUNA RACETRACK

1. GRACES BIRD

Got a perfect trip in the semifinal and finished second behind Daim Brodda. Can open fast and hopes for a similar run. In that case, she could at least take a place here.

Gender: **Mare** Pedigree: **Bird Parker – Natural Grace**
Trainer: **Jörgen Westholm** Driver: **Mats E Djuse**
Owner: **Norchri AB, m fl**
Breeder: **Christer Nordin & Jörgen Westholm**
Record: **1.11,9am** Earnings: **SEK 731,750**
Career: **21 races (4-5-4)** Winning percentage: **19%**
Greatest result: **1st in Stochampionatet heat, 2nd in BC semi-final**

Graces Bird has been trained all along by Jörgen Westholm. Has been pretty consistent and good so far. Earlier this year, she won an elimination heat to the Stochampionatet, but in the final she finished unplaced. With her second place in the last BC semi-final, she earned SEK 100,000, which is a record for her in a single race. She is a quick starter and should get a good trip again. We think she gets a defensive journey here by driver Mats E Djuse.

2. ESTER DEGLI DEI

Young superstar who was clearly improved again last time. Found the lead from her inside lane and won in clearly convincing fashion. Tries to reach the front here and could become dangerous then.

Gender: **Mare** Pedigree: **Maharajah – Twill Be Done**
Trainer: **Paul J P Hagoort** Driver: **Robin Bakker**
Owner: **L.C.J. Schalkoort, Netherlands**
Breeder: **Az. Agr. Degli Dei SAS, Italy**
Record time: **1.09,5ak** Earnings: **SEK 4,451,403**
Career: **19 races (14-4-0)** Winning percentage: **74%**
Greatest result: **1st in Breeders' Crown final 2023, 1st in BC semi**

Young superstar who has always been trained by Paul Hagoort in the Netherlands. She already won as a two-year-old in her debut at Wolvega. As a three-year-old, she won eight out of nine races, among others the Premio Going Kronos, the TCT Derby in Holland and the Breeders' Crown final. This year she has won the Fyraåringseliten at Solvalla and finished second in the Stosprintern. Has not been as outstanding as last year, but showed good form again last time. Dangerous if she finds the lead.

3. DOMINO TIME TROT

Is strong and won her semifinal from the outside of the leader. Is still unbeaten after three starts for her new trainer Claes Sjöström. With the right trip, she can absolutely be in the mix.

Gender: **Mare** Pedigree: **International Moni – The Grand Filly**
Trainer: **Claes Sjöström** Driver: **Claes Sjöström**
Owner: **Y&B Trading AB, m fl**
Breeder: **Ove Karlsson & Robert Lindström**
Record time: **1.12,3am** Earnings: **SEK 698,500**
Career: **14 races (7-2-0)** Winning percentage: **50%**
Greatest result: **1st in Breeders' Crown semi-final**

She started her career for Reijo Liljendahl and won a major race during the Elitloppet weekend. However, the three-year-old season only lasted five races, but this year she has got her breakthrough and especially at the end she has impressed. She won her last race for Liljendahl at Axevalla and has since taken three straight victories for her new trainer Claes Sjöström. The horse is above all strong and won her semi-final from outside the leader. On the way up!

4. DAIM BRODDA

Very good mare trained in Norway. Has developed enormously and won the Swedish Derby for mares. Is one of the better horses in this race and an early candidate for victory. She can open fast and should get a nice trip. Barefoot now.

Gender: **Mare** Pedigree: **Readly Express – Dancing In Thehall**
Trainer: **Thor Borg** Driver: **Eirik Høitomt**
Owner: **Stall Tonga Racing AB, Sätilla**
Breeder: **Brodda Stuteri AB, Skurup**

Career: **14 races (10-0-2)** Winning percentage: **71%**
Greatest result: **1st in Derbystoet, 1st in Breeders' Crown semi-final**

Has been trained in Norway by Thor Borg and driven by Eirik Høitomt throughout her career. Won two races in a row as a three-year-old against easier opposition but has got her real breakthrough this season as a four-year-old. She finished third in the final of the Stochampionatet behind, among others, Kinglet Bird and then won both a heat and the final to the Derbystoet. Won comfortably in the semi-finals and is fast from the start. Belongs to the better ones and becomes dangerous with the right trip.

5. PURE DIAMOND

Finished well to end second behind Domino Time Trot in the semifinal after a nice journey. Has developed well for Fredrik Wallin, even though she has not won yet this year. Gets a defensive trip.

Gender: **Mare** Pedigree: **Father Patrick – Pure Kemp**
Trainer: **Fredrik Wallin** Driver: **Carl Johan Jepson**
Owner: **Gothenburg Smart Repair Center AB**

Career: **24 races (2-8-3)** Winning percentage: **8%**
Greatest result: **6th in Stochampionatet, 2nd in BC semi-final**

Began her career for Jerry Riordan where she competed in five races as a two-year-old without a win. She was then moved to Frode Hamre in Norway and as a three-year-old she won two races there. However, the greatest result was a third place in a so-called Margaretha race. This year the horse has been trained by Fredrik Wallin and has developed enormously even though she has not won yet. She finished sixth in the Stochampionatet and also sixth in the Derbystoet. Finds it hard to win here but has got a nice lane.

6. ETERIA

Has always been a great talent. Started with three straight wins for Daniel Wäjersten and finished third in the semi-finals behind Ester Degli Dei. With some luck, she could be interesting here.

Gender: **Mare** Pedigree: **Tactical Landing – Senorita Bonita**
Trainer: **Daniel Wäjersten** Driver: **Daniel Wäjersten**
Owner: **Bruni Racing Team AB, m fl**
Breeder: **Scud Sant' Andrea S.R.L, Italy**

Started her career for Reijo Liljendahl where she won her debut as a two-year-old. Started with three straight victories as a three-year-old and was third in the Treåringseliten at Solvalla. Then won an E3 heat but was a scratch in the final. Then only made one more race that season. This year she was third in the Drottningpokalen and then finished second in the Fyraåringseliten behind Ester Degli Dei. Moved this summer to Daniel Wäjersten where she took three straight wins before the third place in the last BC semi-final.

7. KINGLET BIRD

The winner of the Stochampionatet finished very well from far behind in her semifinal. She has very high capacity when she is at her best and despite this number, she cannot be discounted.

Gender: **Mare** Pedigree: **Nuncio – Vladzia Mauzun**
Trainer: **Daniel Wäjersten** Driver: **Örjan Kihlström**
Owner: **JJK Sports Oy, Finland**
Breeder: **Am Bloodstock AB, Stockholm**

Career: **20 races (8-2-3)** Winning percentage: **40%**
Greatest result: **1st in Stochampionatet, 4th in BC semi-final**

Started her career for Janne Korpi in Finland where she took four straight wins from her debut. She was moved to current trainer Daniel Redén in the summer of 2023 and in her second start for him she finished third in an E3 final. After that she won the Höstfavoriten for mares at Solvalla. This year, however, the real breakthrough came when she won both a heat and the final to the Stochampionatet at Axevalla. She has not won since then and is coming off a fourth place in her semifinal.

8. STARO RAILI

Finished well in her semifinal behind, among others, Daim Brodda. The horse has had a brilliant season so far and earned more than one million Swedish kronor. Tough draw now and will probably find it hard to fight for victory.

Gender: **Mare**
Pedigree: **Maharajah – Gaia Source**
Trainer: **Sofia Aronsson** Driver: **André Eklundh**

Staro Raili has been trained all along by Sofia Aronsson. Started well and took five wins in her first seven starts. In February and March this year, she finished first and second in two so-called Margaretha races and earned a total of SEK 450,000. In September, she won a Diamantsto race in the V75 at Färjestad. 9. KÄRASTE SISU

Finished very well in her semis behind Ester Degli Dei and seems to be in top form. Could get a good trip from here and in that case she is not completely out of contention for victory.

Gender: **Mare** Pedigree: **Face Time Bourbon – Dear Abs**
Trainer: **Petri Salmela** Driver: **Mika Forss**
Owner: **Sisu Racing Stable AB, Stockholm**
Breeder: **Sisyfos Breeders AB, Bromma**

Career: **29 races (7-5-3)** Winning percentage: **24%**
Greatest result: **1st in E3 Chansen 2023, 2nd in BC semi-final**

Has been trained all along by Petri Salmela in Boden and started her career with three wins in the first four starts. She won a heat to an E3 race last summer and a little later she was successful in the E3 Chance at Romme. She also won a heat to the Oaks. This year the horse has not been as good and her second place in the semifinals is this season's biggest achievement. Seems to have found good form and should not be completely overlooked in this final if she gets the right trip.

10. MAHARASHA

Finished well to a third place in her semifinal behind Domino Time Trot and thus qualified for this final. The goal is reached and here she meets her toughest opposition ever.

Gender: **Mare**
Pedigree: **Maharajah – Sheismydream S.S.**
Trainer: **Thor Borg** Driver: **Per Oleg Midtfield**
Owner: **Kjell Skatvedt, Norway** Breeder: **Skeie Stable AS, Norway**
Record time: **1.10,9ak** Earnings: **SEK 661,162**
Career: **19 races (6-2-3)** Winning percentage: **32%**
Greatest result: **1st in Margareta race, 3rd in Breeders' Crown semi**

Has been trained by Thor Borg all along. Competed mostly in smaller races in Norway last year, but this season she has done well against significantly tougher opposition. At the beginning of July, she won a so-called Margaretha race and earned a splendid SEK 300,000, which is about half of all the money she has accumulated. Was third in her semifinal after a good finish and for the first time she qualified for a bigger final. Is here to learn and probably mainly chasing money.

11. BLAST PAD

Fredrik Wallin's second horse finished well in her semifinal and surprisingly made it to this final. Hasn't won yet this season and will find it difficult to change it against these opponents.

Gender: **Mare** Pedigree: **Uncle Lasse – Keypad**
Trainer: **Fredrik Wallin** Driver: **Jorma Kontio**
Owner: **Martti Simonen, Finland**
Breeder: **Stefan T.Z. Melander HB, Enköping**
Record time: **1.12,4am** Earnings: **SEK 534,000**
Career: **25 races (3-3-4)** Winning percentage: **12%**
Greatest result: **1st in E3 Revanschen 2023, 3rd in BC semi-final**

Blast Pad started her career for Stefan Melander at Solvalla where she took one win in six starts. In the summer of 2023 she was moved to Fredrik Wallin where she took two more wins last year. She won an E3 Revansch race in Örebro with a whopping SEK 150,000 in first prize. This year the horse has not won yet after ten attempts and it is a great success that she made it to this final. Normally the competition is too tough for Blast Pad this time.

12. ELEGANCE KRONOS

Kept up the pace well last time and made it to the final by finishing fourth. Had a brilliant three-year-old season but this year she has not been as successful. Hard to be in the mix.

Gender: **Mare** Pedigree: **Muscle Hill – Pampered Winner**
Trainer: **Björn Goop** Driver: **Björn Goop**
Owner: **Ecurie Jean-Pierre Barjon, France**
Breeder: **Dvbk International AB, Enköping**

Career: **27 races (4-3-2)** Winning percentage: **15%**
Greatest result: **3rd in Oaks, 4th in Breeders' Crown semi-final**

Has been trained all along by Björn Goop and took two victories in three starts as a two-year-old. She had a brilliant season last year as a three-year-old and won an elimination heat to the Oaks and finished third in the final. She then won a heat to the Breeders' Crown and was fourth in the final at Eskilstuna. She has not been nearly as successful this year and is still waiting for her first win. She finished fourth in her semifinal and is chasing money from here.
