JUVENILE TURF SPRINT

FRIDAY // RACE 6 // 2:30PM

GRADE 2 - \$1,000,000

SCENE SETTER: Keeneland's titan of 2-year-olds and turf sprints, trainer Wesley Ward, has a natural bond with this race. His GOLDEN PAL's Skidmore win at Saratoga may have been the division's best domestically so far this year; filly AMANZI YIMPILO already beat the boys at Santa Anita; and fellow filly ROYAL APPROVAL has turned it on since a trip to Royal Ascot. Ward's CAMPANELLE is unbeaten and a major threat here or in the Juvenile Fillies Turf. Meanwhile, SECOND OF JULY owes no one a penny after 68-1 and 15-1 victories to open his career at Belmont.

1/ST BET FACTORS:

Last year's winner Four Wheel Drive ranked top-2 in 3 of the top 4 factors, including No. 1 in the leading category 'Win %.'

The top factors in Keeneland 2-year-old turf sprint stakes have been 'Average Speed Last 3,' 'Horses Beaten %' and 'Average Lifetime Earnings.'

------	------	-------	-------	------

PIZZAZZ	10/25	Santa Anita	5 furlongs	1:00.60 (15/72)
-------------------------	-------	-------------	------------	-----------------

Couldn't wait to get in front of her workmate, but once she was, she was confidently the best over an older, larger male workmate. Ears up and restrained, she looked all class here while working on the dirt. Also pre-entered in the Juvenile Fillies Turf.

MOMOS	10/25	Belmont (T)	4 furlongs	:52.02 (19/20)
-----------------------	-------	-------------	------------	----------------

I couldn't help but notice how well Momos looked in the flesh as the sun lit up his coat. He seemed sharp, focused and happy in this turf work, showing no wasted action. He breaks well in his races and he should enjoy the cut-back in trip. He's the most interesting not among the Wesley Ward brigade. - Additional reporting Millie Ball

KNOW THIS

Europeans are 12: 0-0-1 in the first 2 editions of the Juvenile Turf Sprint and comprised exactly half the entries both years.

Juvenile Turf Sprint winners Four Wheel Drive and Bulletin exited preps in the Futurity at Belmont and Hollywood Beach at Gulfstream Park.

Not only has the Juvenile Turf Sprint been won wire-to-wire in both of its editions to date, but the runner-up has been essentially second the entire way each time.

Lightly raced undefeated horses won the first 2 editions of this race, posting just 1 and 2 prior starts.

JUVENILE TURF

FRIDAY // RACE 7 // 3:10PM

GRADE 1 - \$1,000,000

SCENE SETTER: Ireland's BATTLEGROUND, son of BC Turf and Arc de Triomphe heroine Found, brings a wonderful legacy and record stateside. Canada's GRETZKY THE GREAT has skated to victory in his last 2 stakes, and is another BC legacy as a son Juvenile champ Nyquist. The Yanks' best prospect, MUTASAABEQ, shot from a cannon late to win Keeneland's Bourbon. Chad Brown aims for back-to-back Juvenile Turf wins, this time with PUBLIC SECTOR.

1/ST BET FACTORS:

Last year's winner Structor ranked top-5 in 5 of the top 7 factors, peaking second in 'Avg. Turf Earnings.'

The top factors in Keeneland 2-year-old turf route stakes races have been 'Best Speed Distance,' 'Average Lifetime Earnings' and 'Average Late Pace.'

xb tv WORKOUT REPORT // ZOE CADMAN:

NAME	DATE	TRACK	DIST.	TIME
PUBLIC SECTOR	10/25	Belmont	5 furlongs	1:02.69 (10/11)

Public Sector, keeping good company with Editor at Large (Juv Fillies Turf), galloped in a long, easy fashion to the pole only grabbing the bridle right on top of it, working head-and-head over a turf course listed as firm, but appeared to have some give to it. Final time was typical, but Public Sector appeared not to be going as well as the filly, and she won the gallop-out. I'm worried he won't handle the softer turf at Keeneland.

Nine of its 13 winners have paid between \$11 and \$20, making the Juvenile Turf one of the most attractive betting races in the Breeders' Cup. Its extremes are 2-1 as shortest-priced winner and 12-1 as highest.

Europeans own a 9-4 edge over the North Americans in this division, including 7 of the last 9, though Structor represented the US in victory a year ago.

Five of the 13 Juvenile Turf winners exited preps at England's Newmarket Racecourse, 4 of them via the Dewhurst Stakes.

JUVENILE FILLIES

FRIDAY // RACE 8 // 3:50PM

GRADE 1 - \$2,000,000

SCENE SETTER: PRINCESS NOOR has dominated California's premier divisional races by nearly 15 lengths for Bob Baffert. But the speed figure aficionados claim she's not that fast. Fillies based at blue-collar Thistledown (DAYOUTOFTHEOFFICE) and Parx (VEQUIST) have been much-the-best in New York's signature stakes. Kentucky's key springboards have produced unbeaten GIRL DADDY and SIMPLY RAVISHING; the latter could give trainer Kenny McPeck, twice runner-up in this race, his first Breeders' Cup victory after 31 attempts.

1/ST BET FACTORS:

Last year's winner British Idiom ranked top-4 in 5 of the top 6 factors, including the top spot in the No. 1-rated factor 'Average Lifetime Earnings.'

2018 JF winner Jaywalk was top-4 in each of the top 4 factors, and the No. 1 factor 'Horses Beaten %' provided the exacta in its top 2 along with Restless Rider.

The top factors in Keeneland 1-1/16 miles 2-year-old stakes races have been 'Best Speed Distance' and 'Average Lifetime Earnings.'

6 times the Juvenile Fillies winner has paid \$60 or more, the most prolific longshot race in the Breeders' Cup series. Only the Distaff (4) has had more than 3 such upsetters.

Only twice in 36 runnings has the Juvenile Fillies winner had 2 or fewer previous starts - Caledonia Road (2017) and Indian Blessing (2007).

JUVENILE FILLIES TURF

FRIDAY // RACE 9 // 4:30PM

GRADE 1 - \$1,000,000

SCENE SETTER: PLUM ALI has stung like a bee in 3 knockout victories and may be trainer Christophe Clement's best chance to snap his 0-38 Breeders' Cup record. AUNT PEARL led every step of her 2 starts, hinting at future stardom, and has won over this course and distance. CAMPANELLE has spanned the globe from Gulfstream to England to France and has yet to meet her match in 3 sprint attempts. MOTHER EARTH and MISS AMULET are Group 1-placed in England and well-seasoned.

1/ST BET FACTORS:

Last year's winner Sharing led all contenders in 'Last Turn Time,' which was a top-5 factor to consider. She was second-best in 'Avg. Turf Earnings,' the third-highest rated factor.

The top factors in Keeneland 2-year-old turf route stakes races have been 'Best Speed Distance,' 'Average Lifetime Earnings' and 'Average Late Pace.'

xb tv WORKOUT REPORT // ZOE CADMAN:

NAME	DATE	TRACK	DIST.	TIME
PLUM ALI	10/25	Belmont	4 furlongs (T)	:51.85 (16/20)

Working with older G2 Lake Placid winner Speaktomeofsummer, she broke behind with plenty of pep in her step wearing her usual ear plugs, tracking behind a pedestrian pace over a softer-than-firm turf course. She cruised up to her workmate and stayed there, albeit perhaps losing focus and switching leads a couple of times. Top filly in terrific form.

EDITOR AT LARGE	10/25	Belmont	5 furlongs (T)	1:02.69 (11/12)
---------------------------------	-------	---------	----------------	-----------------

Editor at Large, keeping good company with Public Sector (Juv Turf), appeared to handle the turf - which looked a little softer than firm - with aplomb. Always going easier than her workmate, she switched leads on cue (even though her rider apparently didn't notice...another good sign). Terrific work for a trainer who excels in this race with 5 wins; this filly is live especially with the expected 'give' in the ground. I think she will handle it and she's bred to love it. Dangerous!

MADONE	10/22	Santa Anita	5 furlongs	1:03.60 (28/29)
------------------------	-------	-------------	------------	-----------------

Turf filly working on the dirt, so we really can't tell a whole lot. She broke off nicely under Jack Stack and found some Mandella company turning for home. After being asked a couple of times to switch leads (she didn't), she wasn't asked again. Hard to tell a lot here other than dirt is NOT her preferred surface. That being said, I prefer others and feel the give in the ground at Kee will be her undoing.

JUVENILE

FRIDAY // RACE 10 // 5:10PM

GRADE 1 - \$2,000,000

SCENE SETTER: No one's come close to beating JACKIE'S WARRIOR or ESSENTIAL QUALITY so far. The 2-turn question for JACKIE'S WARRIOR will be front of mind for handicappers as he seeks his 5th straight win. ESSENTIAL QUALITY won over the track and distance when scoring the Breeders' Futurity, but has made only 2 starts. Meanwhile, SITTIN ON GO rocked the Iroquois at 24-1. Does he have another upset in him?

1/ST BET FACTORS:

The factor "Last Race Class" was a common top-4 race ranking for 2019 upsetter Storm the Court and 2018 victor Game Winner, as well as 2015 BC Juvenile-at-Keeneland winner Nyquist.

Last year's 45-1 longshot winner Storm the Court ranked in the top-4 in 6 of the top 7 factors.

The top factors in Keeneland 1-1/16 miles 2-year-old stakes races have been 'Best Speed Distance' and 'Average Lifetime Earnings.'

NAME	DATE	TRACK	DIST.	TIME
------	------	-------	-------	------

REINVESTMENT RISK	10/24	Belmont	4 furlongs	:48.20 (4/51)
-----------------------------------	-------	---------	------------	---------------

Worked on the inside of another 2-year-old colt named Miles D. He moved very smoothly and well within himself, but was challenged by the once-raced maiden a little more than I would have liked to have seen on the gallop-out. Based on this work, two turns is the real question.

SITTIN ON GO	10/23	Churchill	5 furlongs	1:00.40 (11/44)
------------------------------	-------	-----------	------------	-----------------

Coming into the race off a series of very healthy works, recorded every 7 days like clockwork. He switched leads very smoothly here and just needed a bit of coaxing to finish up the work as strongly as he started it and to keep working out at a similar tempo for the gallop-out. Considering this lightly raced 2-year-old was without company to keep up his enthusiasm, this was a productive work.

ROMBAUER	10/22	Santa Anita	5 furlongs	1:03.60 (28/29)
--------------------------	-------	-------------	------------	-----------------

Gives the impression he is mature for a 2-year-old and a very steady individual on the dirt. He rightfully outworked a 2-year-old maiden filly by the name of Polished Lady, while staying in the same tempo for the duration of the work. His gallop-out was equally as steady. He'll appreciate a fast pace up front and could grind out a placing.

Santa Anita's American Pharoah Stakes has produced the past 2 Juvenile winners and 4 of its last 6, not to mention the last 2 BC editions held in Kentucky. That prep's 9 wins overall in the Juvenile are tied with Belmont's Champagne, followed by Keeneland's Breeders' Futurity with 6.

Juvenile favorites finished first or second in 11 of the last 14 years.

The Juvenile has been won wire-to-wire twice in the last decade - Hansen (2011) and Storm the Court (2019).

Juvenile winners in 10 Kentucky-hosted events have averaged a \$12 return, while nearly \$22 at other regionally hosted events.

SATURDAY // RACE 4 // 12:02PM

GRADE 1 - \$1,000,000

SCENE SETTER: A sensational group of 3-year-old sprint fillies appear set to take on the divisional heavyweights: GAMINE aced the Test and Acorn by 25 lengths for Bob Baffert; FRANK'S ROCKETTE is 5-for-5 on fast tracks in 2020 (but may try the Sprint); and VENETIAN HARBOR recently wired Keeneland's Raven Run. SPEECH won Keeneland's Ashland this summer at 1-1/8 miles and shortens her trip in the homecoming. The elders are led by 2019 Kentucky Oaks winner and BC Distaff third-place finisher SERENGETI EMPRESS, whose Ballerina win at Saratoga was one of this year's best performances in any division. The potential speed duel between GAMINE and SERENGETI EMPRESS will be the most anticipated race-within-the-race at this year's Breeders' Cup.

GAMINE 10/24 Santa Anita 5 furlongs :58.80 (9/53)

Hard to look much better than this. Outside her mate, she came wide gobbling up ground on a pair of workers in front. When released, Gamine buried her rival and made up 5 lengths in a blink to catch the pair who were being ridden along.

SPEECH 10/23 Santa Anita 5 furlongs 1:00.80 (3/44)

Slight regression here from her 10/16 work. In the dark and behind, she had every chance to go by her workmate (who was under a stout hold); and even when shaken up, wasn't able to grind it out. Drew even at the wire, but the 0-3 maiden mate quickly re-took the advantage.

COME DANCING 10/24 Belmont (TT) 4 furlongs :48.89 (9/50)

Went easily in this modest, half-mile work under a hold the whole time. Hard to garner much from this as she was not allowed to run.

KNOW THIS

8 of the last 11 winners exited preps in Kentucky: Keeneland's TCA Stakes (5), Spinster (1) and Raven Run (1); as well as Churchill's Dogwood (1).

The F&M Sprint has never been won wire-to-wire. Its pacemakers have a paltry 13: 0-1-1 record all-time.

3-year-olds were blanked in the first 11 editions of this race, but have won back-to-back with Shamrock Rose (2018) and Covfefe (2019). Last year's 1-2 finish for the sophomores was by far their best performance, combining now for a 36: 2-3-4 record all-time.

TURF SPRINT

SATURDAY // RACE 5 // 12:39PM

GRADE 1 - \$1,000,000

SCENE SETTER: LEINSTER specializes in Keeneland turf sprints and is the course record holder. GOT STORMY, second in last year's Mile, cuts back her trip over a course she also loves. IMPRIMIS and INTO MYSTIC have done some of their best work locally, too. Meanwhile, trainer Peter Miller's chances for a personal Turf Sprint 4-peat rest with filly BULLETPROOF ONE and longshot TEXAS WEDGE, though Southern California also could keep the trophy with Victor Garcia trainee BIG RUNNUER.

1/ST BET FACTORS:

Repeat 2018-'19 Turf Sprint winner Stormy Liberal excelled as the top contender in factors like 'Avg. Earnings Distance' and 'Avg. Lifetime Earnings,' showing an element of class with the speed.

Top factors in Keeneland older turf sprint stakes feature a strong emphasis on connections: 'Trainer 2 Yr. Win % This Race Type' and 'Jockey 2 Yr. Win % This Race Type.' Also 'Win %' rates highly in these races.

WORKOUT REPORT // MILLIE BALL:

NAME	DATE	TRACK	DIST.	TIME
IMPRIMIS	10/24	Gulfstream	4 furlongs	:48.78 (26/126)

He was noticeably warm on the neck and seemed to be leaning out around the turn into the stretch. He did accelerate well, when given the cue, but continued to lean out on the gallop-out. My suspicion is he is heading out of form after two big efforts.

BOMBARD	10/26	Santa Anita	5 furlongs	:59.20 (1/53)
-------------------------	-------	-------------	------------	---------------

Hall of Fame trainer Richard Mandella attributed Bombard's big performance on soft ground at Kentucky Downs to "a case of him being in good shape." I echo these sentiments, regarding this work where he seemed comfortable, catching his target at a swift pace (clocking his first half-mile in :46.20 to the wire). He worked on out by himself to record the 5F bullet on dirt. Bombard is in his element right now and deserves to be selected into the field.

WILDMAN JACK	10/24	Santa Anita	5 furlongs (g)	1:00.40 (17/65)
------------------------------	-------	-------------	----------------	-----------------

Broke like a rocket from the gate on this morning and displayed his natural speed, travelling very confidently over the dirt track at Santa Anita. O'Neill has chosen to ship his gelding in time to give him a work over the course at Keeneland. The trainer said Wildman Jack's non-effort in the Shakertown was due to shipping him too close to the race. He appears to be doing really well right now.

DIRT MILE

SATURDAY // RACE 6 // 1:18PM

GRADE 1 - \$1,000,000

SCENE SETTER: The crossroads race of the Breeders' Cup can lure – and lose – contenders from the Sprint, Classic and Mile (turf) divisions. Blue Grass-winning 3-year-old ART COLLECTOR, last year's Preakness winner-turned-turf-star WAR OF WILL and 1-turn Kelso victor COMPLEXITY are among the diverse cast. Several contenders have impressed in Kentucky, including older horses MR FREEZE and MR. MONEY, as well as the 3-year-old RUSHIE. Local allowance winner KNICKS GO lit the track up during the Keeneland Fall Meet.

1/ST BET FACTORS:

Last year's 9-1 winner Spun to Run dominated as the top choice in 6 of the top-10 factors, including 'Best Speed Last 3' at the head of the list. City of Light, the 2018 winner, also led the 'Best Speed Last 3' factor.

Top factors in Keeneland dirt mile races have been 'Speed Last Race,' 'Avg. Best 2 of Last 3 Speed' and 'Last Purse.'

COMPLEXITY 10/25 Belmont 4 furlongs :48.81 (9/53)

Eager through the lane under a tight hold while displaying good energy before galloping out strongly and looking as sharp as ever. Fresh from a career-top score in the Grade 2 Kelso and appears the one to beat in the Dirt Mile.

RUSHIE 10/23 Santa Anita 5 furlongs :59.20 (3/44)

In company with quick and classy Distaff contender Ce Ce (both given same time), Rushie wasn't asked much in the final furlong, though appearing slightly second-best to breezing stablemate. The final 3 furlongs were in :36.20 on our watch (:11.20 final eighth). Useful work, holds his form.

SHARP SAMURAI 10/24 Santa Anita 5 furlongs 1:00.00 (8/65)

You have to love Sharp Samurai's unwavering tenacity. Repeatedly beaten by top-rated horses in the country this year, the gelding continues to churn out professional works and races alike. FILLY & MARE TURF

SATURDAY // RACE 7 // 1:57PM

GRADE 1 - \$2,000,000

SCENE SETTER: Prix de l'Opera winner TARNAWA may hold the division's fate as her connections contemplate this spot or the Turf. RUSHING FALL, whose 5 local stakes wins are second-most in Keeneland history, makes her first BC appearance since winning the 2017 Juvenile Fillies Turf. Stablemate SISTERCHARLIE, now 6, won this race in 2018 and was beaten favorite a year ago. CIVIL UNION has tallied 4 in a row in New York for Shug McGaughey, a BC winner in 3 decades. The top Euro in TARNAWA'S absence may be AUDARYA, third to her at Longchamp most recently.

Oh, to be Chad Brown! Five-year-old Rushing Fall (3-3 this year) and 6-year-old Sistercharlie (0-2 this year) worked head-and-head together here. Rushing Fall, as she always does, tugged a little harder. They finished heads up, but it's hard to ignore Rushing Fall's zest in this one. Sistercharlie worked well, but not as well as Rushing Fall.

MUCHO UNUSUAL	10/24	Santa Anita	5 furlongs	1:00.60 (22/65)
-------------------------------	-------	-------------	------------	-----------------

In-form filly worked with 0-2 maiden Big Talker, and after breaking way back of him down the backside, drew within a length by the quarter-pole. They quickened nicely down the lane with little or no urging, Mucho Unusual besting her workmate by 5 with a stellar gallop-out. Good work for a turf filly on dirt. The jury is out as to whether her second trip to Keeneland will be more fruitful than her first.

CIVIL UNION	10/25	Belmont	5 furlongs (T)	1:01.20 (1/11)
-----------------------------	-------	---------	----------------	----------------

Working in company with 3-time winner Hungry Kitten, Civil Union and her massive frame jumped into the bit immediately on the inside, switching leads on cue. Under a bigger exercise rider, the work winner looked on par with her summer works cruising through the lane. I maybe would have liked to have seen her with a little more pep in her step, but nonetheless a good work for her.

SATURDAY // RACE 9 // 3:15PM

GRADE 1 - \$2,000,000

SCENE SETTER: Defending Mile champion UNI looks to best the boys again, and she's a 2-time Grade 1 winner over this course and distance at Keeneland. But challenges abound – even from within her own Chad Brown stable from RAGING BULL and DIGITAL AGE. European threats include KAMEKO, favored in the European early betting markets, and last year's fourth-place finisher CIRCUS MAXIMUS. Canadian star 7-year-old mare STARSHIP JUBILEE is nearly perfect this year after winning the oft-key Woodbine Mile but may try the F&M Turf. IVAR and FACTOR THIS are in career-form after wins at Keeneland and Pimlico.

1/ST BET FACTORS:

2019 Mile winner Uni held the top spot in the factor 'Last Turn Time' and was rated second in the 'Avg. Turf Earnings' factor, both categories ranked among the top-5 in importance.

Key factors in the BC Mile historically are 'Last Turn Time' and 'Average Turf Earnings.'

Top factors in Keeneland older turf mile stakes are 'Average Turf Earnings,' 'Last E1 Pace' and 'Last E2 Pace.'

A beautiful-moving son of War Front, even over the dirt surface he works on in the mornings. This drill was no exception. This champ is all-pro, whether it's the morning or the afternoon. Can't say a bad word about this work as she is patient, kind and FAST. High cruising speed with an electric turn of foot with no ask.

HARVEST MOON 10/24 Santa Anita 5 furlongs 1:00.20 (12/65)
Moving along easily on a loose rein while off the rail, she drifted out despite jock trying to coax her towards the rail on the gallop-out. This was nearly a carbon copy of her work before her allowance score in July.

GRADE 1 - \$4,000,000

SCENE SETTER: BC Turf dominance most often hails from Europe, but it's not always the headline act that gets the plaudits. The \$5 million-earning mare MAGICAL upset Ghaiyyath in the Irish Champion and sent Europe's best into retirement. MOGUL, 3-year-old stablemate to MAGICAL, is highly regarded with the international bookmakers for the Turf. TARNAWA may confidently bypass her own gender in the F&M Turf for this more prestigious and lucrative spot. On the American front, UNITED nearly stunned the 2019 Turf at 51-1, but has been flying squarely on the domestic radar ever since. He's a head shy of being 5-for-5 this year.

1/ST BET FACTORS:

Last year's winner Bricks and Mortar led in 3 of the top-10 factors, including 'Avg. Lifetime Earnings,' 'Avg. Late Pace' and 'Avg. Turf Earnings.'

Factors relating to Jockeys play a bigger role in the Turf than most divisions, including 4 of the top-6 factors in 2019 and 3 of the top-6 in 2018.

Top factors in Keeneland turf marathon stakes include 'Trainer Current Year,' 'Avg. Earnings Distance,' 'Avg. Races Classes' and 'Best Speed Last 3.'

[UNITED](#) 10/16 Santa Anita 6 furlongs 1:11.00 (1/3)

Working with over-matched maiden winner Galloping Mischief, this is undoubtedly the BEST I have ever seen him; and, yes, he's a turf horse working on the dirt. He engulfed his workmate like me and on a cheese puff, and could not have looked better galloping through the wire with little urging. Horse in top form. If he can handle softer conditions than he has ever seen before, he will be dangerous. His speed helps.

[CHANNEL MAKER](#) 10/24 Santa Anita 4 furlongs :48.71 (6/51)

Continues to amaze me and at 6 years old. I'm not sure he has EVER been better. Seen working here with Classic-bound Tacitus. I have long joked with Bill Mott that this horse would drown in a rainstorm, due to his high head action that, believe or not, gets higher the faster he goes. Super-bounciness, energetic work from him while not quite matching strides with a dirt horse like Tacitus late. But, hey, Tacitus needs to win one every now and then. Good work for a wily, old veteran that will handle ANY KIND OF GROUND. Ignore him at your peril.

KNOW THIS

European runners own 16 of the last 21 Turf victories, including 4 of the last 5. Bricks and Mortar defended the home turf for America last year.

3 of the last 4 BC Turf winners have been 7-2 or less, including back-to-back favorites at 4-5 (Enable 2018) and 1-1 (Bricks and Mortar 2019).

No horse over the age of 5 has won the Turf. Bricks and Mortar became the 11th 5-year-old to do so in 2019.

4 fillies/mares have won the Turf: Enable (2018), Found (2015), Miss Alleged (1991) and Pebbles (1985).

CLASSIC

SATURDAY // RACE 12 // 5:13PM

GRADE 1 - \$6,000,000

SCENE SETTER: The older horses offer a series of high-powered rematches, while the 3-year-olds look to parlay their unique 2020 Triple Crown calendar into autumn success. Bob Baffert's IMPROBABLE won the summer showcases at Del Mar and Saratoga, and will be reacquainted with the likes of TOM'S D'ETAT, BY MY STANDARDS and stablemate MAXIMUM SECURITY. The rested sophomore TIZ THE LAW bypassed the Preakness for a fresh Classic look, while he and Derby winner AUTHENTIC bid to become the 13th sophomores to win this race. For complete, horse-by-horse bonus Classic coverage, check out [On Track by Johnny D.](#) when the weekly blog is published Thursday, November 5.

1/ST BET FACTORS:

- Speed Last Race has been a top-2 Classic factor the past 2 years, and was led last year by eventual winner Vino Rosso.
- 2018 Classic winner Accelerate ranked top-2 in 6 of the top 8 factors, 7 of those factors in the speed or pace category.
- Top factors in Keeneland dirt route Classic division stakes include 'Best Speed Distance,' 'Last E1 Pace' and 'In the Money Percentage.'

WORKOUT REPORT // JEFF SIEGEL:

NAME	DATE	TRACK	DIST.	TIME
------	------	-------	-------	------

IMPROBABLE 10/25 Santa Anita 7 furlongs 1:25.00 (1/1)
Splits of 24.60, 36.60 and 1:00.20 to the wire before being asked to pick it up under some urging in 1:12.40 and 1:25.20 on my watch. Improbable was asked to gallop-out to 5/8ths pole in 1:39 flat. Decent, not great, but rarely does much more than this in the a.m.

MAXIMUM SECURITY 10/25 Santa Anita 5 furlongs :59.80 (1/72)
Easily disposed of workmate Tapitation (who clocked 5F in 1:00.80) while looking close to his old self. Maximum Security posted splits of :23.60, 35 flat and :59.80 to the wire before being hand-urged out around the turn in 1:12.40 for three-quarters, eased up seven-eighths in 1:26.20, several lanes out from the rail. Never a flashy worker, but appears better than he was at Del Mar.

AUTHENTIC 10/24 Santa Anita 7 furlongs 1:24.80 (1/1)
Solo work in the dark, splits of :35.80 and :59.40 to the wire before continuing out under only light coaxing in 1:11.60 and 1:24.40 on my watch, before pulling up a mile in 1:38.40. He's every bit as good here as he was before the Preakness and perhaps even better.

7 straight Classic winners have been 6-1 or less with an average win payoff of \$8.34 since 2013.

The last deep closer to win the Classic was Drosselmeyer in 2011. The last 8 winners have been less than 5 lengths off the pace throughout, including 4 in wire-to-wire fashion.

7 of the last 10 Classic victors prepped in New York (Jockey Club Gold Cup 4, Travers 2, Woodward 1).

California-based horses have won 4 of the 10 Classics held in Kentucky, but only 2 of those prepped on the west coast (2000 Tiznow, 2018 Accelerate).
