

Larry says, "A few Class droppers will have a say in this Class 5 Poly sprint and BOOM SHAKALAKA may be the one who appreciates the drop in grade the most. A winner at two, the now 3YO is first up after a shocker but a recent trial suggests he can show his best on the Poly in this Company with gate 2 and a handy claim factors. ELITE BEAST won the last time he raced in Class 5 and will have admirers in this field from gate 1 with Lerner up. Vlad Duric on HOSAYLIO will also get support and while the 4YO has drawn awkwardly he has trialled well enough to consider. Likewise, DIAMOND MINE has also drawn wide but gets blinker/pacifiers and can win off a nice trial. Add ABSOLUTE MIRACLE down in grade into the mix with market a good guide, while the second emergency - MR ROCKWELL - can also be considered.

Betting Strategy - BOOM SHAKALAKA win."

Larry says, "While there are some newcomers to consider and some improvers to keep safe, KHARISMA ticks most boxes and is the horse to beat in this Restricted Maiden. The Australian-bred 3YO has placed at all three career starts (tick) and given he gets blinkers (tick) on the back of some good trials (tick), it looks his race on paper from gate 3 (tick) with Vlad Duric to ride (tick). The danger may be SKY EYE who has shown enough at the races to think he has more to offer with blinkers and tongue-tie off a factor given good recent trial form. EUNOS AVE THREE and the emergency - ZYGARDE - two others to consider on race form, while BLACK TAIPAN improves after being gelded with upgrade to blinkers. Of the debutantes, HAPPY FRIDAY looks the pick on trial form with market best guide on all newcomers.

Betting Strategy - Bank KHARISMA."

Larry says, "You could probably do the form on this race 10 or so times and find a different winner each time so good luck if having a bet. In saying that, there has to be some value about and if there is a cracking early pace, a horse like ROYAL PAVILION looks a good each-way hope. The 4YO was in good form, his recent trials have been good and Beuzelin from gate 4 looks a good combination. REVOLUTION hasn't been in the best of form and is drawn wide but drops in Class, is back in trip and gets Duric so should improve. QJI ACHEEVA is first-up after a shocker and also has a wide gate to overcome, but his Poly form is very good and wins with an luck in running. AL GREEN, FIRST CHOICE, LUCK OF FRIENDSHIP, VULCAN, KING ZOUSTAR and the second emergency - BASILISK - all win without surprising.

Betting Strategy - ROYAL PAVILION each-way, saver on QJI ACHEEVA."

	1. REVOLUTION 4yo CH AUS H SH	[13]	7*6760	B	67 (-2)	V DURIC (59.0)	HW TAN	*** Down in grade and more importantly back in trip. Draw a concern but should win races like this.

Larry says, "BRUTUS looks due and probably start favourite in this Restricted Maiden but while the 3YO can obviously win, a newcomer in HEARTENING FLYER may be the one to be on. The NZ-bred colt looked like he had someone hand when winning his official Trial with lengths to spare and the time suggests he is ready to win on debut. Obviously BRUTUS is hard to beat on raced form and comes off a nice recent trial but he has drawn awkwardly and has had his chances. Of the rest with winning hopes, ACHIEVED MORE has drawn the car park but will make his presence felt late, while LADY FAST has placed at both career starts and gives every impression she wins sooner than later and is a filly to follow. TRAVIS is another debutante who has shown enough at the trials to consider with market best guide.

Betting Strategy - HEARTENING FLYER win."

	2. ACHIEVED MORE 3yo B AUS G SH	[14]	035*3*	50 (-1)	R WOODWORTH (57.0)	D KOK	*** Showed enough last campaign to think he wins a race like this soon with best work expected late.
	3. SUPERIOR COAT 3yo CH NZ G SH	[5]	0*9926	47 (-1)	S NOH ⁻¹ (57.0)	D KOH	** Eye-catching late last start after placing start prior. Keep safe.

Larry says, "Some exciting types head to the start of this Class 4 Poly sprint over 1200m, suggesting it's a must watch race. The headline act is SWEET ANGELINE who impressed when winning at his Singapore debut in a similar race to this. The filly has an extra 2kg to carry and has to jump from gate 13, but her win was very good and her subsequent trials has her the one to beat. MIRACLE won equal impressive at his debut, albeit in Restricted Maiden Company. But the US-bred 3YO has also trialled well since and will have admirers on the Poly given his breeding. Of the rest with winning hopes, the newcomer MIRACLE has done enough at the trials to keep safe, while BAFFERT down in grade also looks worth a look. DELAWARE the improver on trial form, while STAR BULLET looks no hope on paper but his recent trials suggests he could improve lengths at long odds.

Betting Strategy - SWEET ANGELINE win, add BAFFERT and STAR BULLET into exotics for value"

	3. TERRIFIC 5yo B NZ G SH	[14]	96500*		63 (-2)	M EWE (57.0)	D KOK	* Pulled up lame last start and wide gate suggests another day.
	4. MIRACLE 4yo CH AUS G SH	[3]		BB	60	R MAIA (55.5)	T FITZSIMMONS	*** Former Australian, won his maiden in the bush but recent trial suggests he has something to offer in Singapore.
	5. LEGEND ROCKS 4yo B AUS G SH	[12]	31*08*	B	59 (-1)	R WOODWORTH (55.0)	ZL MOK	* Recent good form over longer but won in Class 5 this trip. Gate will test.

Larry says, "This looks a battles affair at best and while a few have found form in similar weak sprint races, it may be SPORTSCASTER back in trip who is the one to beat. His form prior to the break was obviously sound and given he is first up, gets Duric and the race is not strong, he can win. The usual suspects on recent form are BRING ME JOY, EXCELLENT MOON and the maiden SUPOER TALENT who all come off wins or placings, while SUPER SPEED is the improver back in Class 5 with blinkers added for good measure. TURF BEAUTY and PEGASUS JUNIOR for exotics and forget the rest.

Betting Strategy - small win, SPORTSCASTER."

Larry says, "A very good race and with three of the 'local' fancies drawn favourably in one, two and three, the question may be can the Hong Kong raider overcome the widest alley and win? The raider in question is BLITZING who won three races in Hong Kong before moving to Singapore and his local trials are certainly good enough to have a big say at his Kranji debut. But the three locals - COMING THROUGH, DRAGON DUKE and SIAM VIPASIRI - are more than capable and all can win on race and recent trial form with the good gates obviously a factor. Not much separates the trio but DRAGON DUKE went close with support last start and from gate 1 he may lead from go-to-whoa. There are two other newcomers to Singapore in the race - MAGNIFIQUE and ASGARD MASSIF - and market best guide on exposed trial form.

Betting Strategy - BLITZING win."

Larry says, "A very thin Maiden. **SUPER PINS** is awkwardly drawn but has the benefit of a recent outing, he was supported last start, S John stays on and if ridden with cover fitness may tell. **SHOWBOUND** showed speed before fading at his second Singapore outing over 1100m, his trial was solid and with Benny Woodworth to ride should be prominent. **GOLD PRIZE** placed at his past two outings before the COVID break, his trial was solid and he should be running on. **FAST AND FEARLESS** is normally thereabouts and his trial was solid, with Harry Kassim might be strongest late. **BARBARIAN** is resuming without blinkers, an expensive yearling he was showing some improvement before the break and may have some upside, watch market. **KING MIDAS** is drawn wide but has some speed and **ANPANMAN** could take advantage of the inside gate.

Betting strategy: Follow the money on SHOWBOUND and SUPER PINS."

Larry says, "A class five full of unreliaables, a few class droppers with no form and some battling Maidens make this impossible to predict. DECRETO placed in this grade two starts back and his recent trial was sound, all four wins have been at this trip and with Saifudin to ride he will be handy throughout. ONE WORLD won a similar race three starts back and is rarely far away in this company, Mark Ewe rides and he will be handy throughout. SUPERSONICSURPRISE is a veteran but knows how to win in this grade and has five victories at the trip, he can be in the finish. MISS MICHELLE is poorly drawn but has the speed to overcome the gate. Plenty of others can get in the mix including WHISTLE GRAND, FOUNTAIN OF FAME, FEROCIOUS and the emergency THOTH WARRIOR.

Betting strategy: DECRETO to win"

Larry says, "A competitive Class 3 with some smart performers involved. HUGO won in this class over 1100m last start, he has won three times at this trip and has the speed to overcome a wide gate. BEAU GESTE was a handy performer in Australia and his form has been solid since arriving in Singapore, with a 4kg claim he has is well paced and should be hard to hold off. CHURCHILL took on Group II level last start following a Class 4 win, he will find this easier and looks a horse with upside. SURGE is another who has done well since arriving in Singapore, he was competitive in similar class last start and has the speed to be prominent. Include ABSOLVIDO, IRONSIDE and FILIBUSTER in exotics.

Betting strategy: - HUGO to win "

Larry says, "Another weak race with a number that would prefer longer. MA BAO BAO broke through last start in similar company and drops 2,5kg. These Class 5s rarely win back-to-back but from a good gate over the same trip with S John to ride MA BAO BAO won't get a better chance. If the emergency KRANJI GOLD gets a run he is the most likely danger having placed at his past two outings, awkwardly drawn he will go back but be hard to hold off. NATE'S HONOUR returned with cardiac arrhythmia last start following two placings over 1400m, he is still a Maiden after 10 outings but could show up with Vlad Duric to ride. The topweight OPTIMUM STAR is awkwardly drawn but he has won three times at the trip and with the 3kg claim will be running on. Include VETRI in exotics.

Larry says, "There will be no loafing here with some good class sprinters involved. EXCELLING disappointed last start over this trip but is better drawn here, he has won four times since arriving in Singapore and should be prominent for a long way. PENNYWISE won the Group III Colonial Chief over 1600m two starts back but can sprint well fresh. Vlad Duric rides and from a good gate can be in the finish. ZAC KASA is another proven sprinter in this grade, the surface and distance suit and with a 2kg claim he will be hard to hold out. MY DREAMLINER, SURPASS NATURAL, LIM'S DREAM and ALTAIR all have claims on best form but awkward gates are against them.

Larry says, "Some interesting newcomers lift this Class 4 above the mundane. SUPER INVINCIBLE now with Lee Freedman comes with good credentials having won two of six starts in Victoria before arrival both on the synthetic, he has trialled well and from gate one with Vlad Duric looks the one to beat. ALWAYS INNOCENT won over 1200m here two starts back and his recent trial was strong, he has speed and from a good gate will be prominent. HEADHUNTER is a former Godolphin galloper with a modest record of two wins from 17 starts but both successes were at this trip of 1100m with a racing pattern to get back and close late. His recent trial was sound and he could be hard to hold off. The third newcomer JR MALONE has a solid record of three wins from 15 outings though his record suggests he might prefer 1200m or longer. LIM'S PASSION is another that might like longer but was consistent last preparation and will run on.

Betting strategy:- SUPER INVINCIBLE should be too good"
